

120 ChatGPT Editorial Photo Prompts: Six Before-and-After Edits

Your outfit stays recognizable. The setting becomes a burgundy studio, a rain-soaked alley, a paper installation or a sculptural stage. Explore six examples, then choose from 120 full editorial photo prompts.

Upload a suitable image, copy a full prompt, and ask ChatGPT to apply it. Slash labels are names for these original prompt recipes; they are not built-in commands. Six examples were generated for this collection. The remaining prompts are starting points, and results vary.

Constructed color sets

001 /red-disc

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Burgundy studio with a monumental terracotta disc and an oversized hard silhouette; retain an existing hand support as a matching sculptural rail. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

002 /green-room

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Forest-green stepped studio with a mint rectangular doorway and a narrow ivory bench; crisp tailored fabric against matte painted surfaces. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

003 /yellow-wedge

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Butter-yellow stage divided by a towering black diagonal wall; use a full-body crop and a long graphic floor shadow. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

004 /blue-cylinder

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Ultramarine cylindrical studio with a peach circular platform beneath the subject; position the camera low to emphasize the outfit. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

005 /pink-blocks

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Dusty-rose studio built from three offset rectangular blocks; keep a relaxed standing pose and give every block a physically consistent shadow. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

006 /rust-arch

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Rust-red vaulted set with a cream arch framing the man; turn an ordinary outfit snapshot into a carefully staged menswear campaign. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

007 /ink-stairs

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Ink-black theatrical stairs behind the man with a narrow ivory landing beneath his feet; illuminate the outfit so dark clothing remains legible. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

008 /violet-orbit

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Muted-violet studio with a large off-center matte ring behind the head and shoulders; preserve face and clothing without metallic fantasy effects. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

009 /orange-corner

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Vivid orange architectural corner with a white cantilevered seat supporting the existing seated pose; large-format editorial clarity. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

010 /grey-slab

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Concrete-grey studio with one leaning oversized slab and a deep rectangular opening; distinct foreground, middle ground and background. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

Paper installations

011 /paper-ribbon

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Ivory cyclorama with a colossal folded cobalt paper ribbon rising behind the man; preserve the everyday outfit and render tactile paper folds. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

012 /folded-fan

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Monumental accordion-folded cream paper wall forming a semicircle around the subject; angular shadows and clean full-body framing. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

013 /paper-door

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A layered series of oversized cut-paper doorways in warm neutral colors; place the man clearly in the nearest opening. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

014 /torn-circle

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A gigantic clean torn-paper circular opening behind the man, showing a contrasting dark studio beyond; no tears through his clothing. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

015 /paper-waves

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Sculptural waves of matte white paper across the background and floor; keep both feet grounded on an uninterrupted flat platform. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

016 /red-envelope

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A large red folded-paper envelope structure as a constructed fashion set; side-lit edges and a recognizable unchanged outfit. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

017 /origami-wall

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Tall folded silver-grey paper wall with repeated geometric facets; contrast crisp paper planes with soft cotton clothing. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

018 /paper-tunnel

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Nested cream rectangular paper frames receding into a deep burgundy studio; strong depth with a sharp man in the foreground. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

019 /paper-canopy

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A suspended canopy of wide curved kraft-paper strips overhead; frame the full outfit below and retain believable overhead supports out of shot. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

020 /paper-steps

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Asymmetrical oversized folded paper steps beside a standing man; use editorial perspective without altering body proportions. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

Architectural light sets

021 /light-runway

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Nested luminous ivory rectangular portals and a black polished runway; support a bent arm with a thin matching rail when needed. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

022 /amber-portal

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A monumental amber circular opening inside a graphite studio; warm face light and a dark reflective floor. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

023 /strip-ceiling

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A constructed corridor of evenly spaced white light bars above a matte charcoal runway; low-angle full-body fashion framing. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

024 /lit-grid

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A three-dimensional cube grid of diffused light panels behind the man; clear outfit detail and physically consistent panel reflections. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

025 /soft-box-room

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An entire studio room built from luminous frosted panels with a solid dark floor; natural skin and no glowing body outlines. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

026 /window-stage

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An oversized freestanding arched window on an empty warm plaster stage; a huge window shadow becomes part of the composition. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

027 /beam-stairs

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A dark stepped studio crossed by wide architectural beams of warm light; the man's face and full outfit remain readable. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

028 /ring-corridor

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A corridor of large luminous elliptical frames; photograph the man in the front frame with perspective-correct receding rings. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

029 /white-slot

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A deep black set split by a tall white illuminated wall slot; place the man's entire body beside the slot, with detailed dark garments. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

030 /sun-triangle

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A cream architectural studio with a huge triangular roof opening projecting a sharp floor shape; match light direction on skin and clothing. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

Mirrors and chrome

031 /mirror-portal

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Offset smoked mirror panels surrounding an amber portal; reflections show only coherent partial views of the same adult man. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

032 /chrome-corner

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Two large polished chrome panels forming an angular studio corner; one restrained reflection and a matte grey floor prevent visual clutter. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

033 /silver-disc

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A giant brushed-aluminum circular backdrop on a graphite stage; directional lighting reveals surface grain and unchanged fabric. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

034 /mirror-blades

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Three tall narrow mirrored blades behind the man; each reflects a plausible side or back view rather than a duplicated frontal subject. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

035 /chrome-wave

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A single monumental bent chrome sheet curling behind the man; real studio reflections and a clean full-body silhouette. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

036 /mirror-floor

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A warm ivory stage over a polished dark mirror floor; use an oversized plaster frame to create a visibly new set around the man. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

037 /steel-steps

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Brushed stainless-steel stairs and an oxidized copper rear wall; keep the man grounded on the lowest landing with crisp outfit detail. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

038 /silver-curtain

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A pleated metallic architectural curtain across an empty studio; a broad curved fold frames the subject without changing the garments. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

039 /glass-silver

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Transparent architectural glass fins in a silver studio; plausible refraction stays away from the face and clothing. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

040 /mirror-box

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An open-front oversized mirrored cube placed in a burgundy cyclorama; one clear main subject and controlled side reflections. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

Fabric architecture

041 /ivory-sail

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A large wind-filled ivory fabric sail behind the man in an ochre sculptural studio; wind shapes the backdrop while retaining his outfit. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

042 /red-drape

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A monumental oxblood fabric curtain pulled diagonally across an empty cream stage; retain the subject's hands and natural anatomy. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

043 /linen-columns

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Thick hanging linen strips arranged like columns on a warm grey stage; soft layered depth around a sharp full outfit. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

044 /blue-billow

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A huge cobalt fabric wave suspended behind the man; use crisp freeze-motion folds and an ivory floor beneath his feet. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

045 /sheer-room

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A room of layered translucent white curtains with a dark rectangular doorway; preserve face contrast and opaque clothing. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

046 /silk-arch

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A large amber silk arch draped over hidden set supports; rich folds frame the man on a dark matte platform. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

047 /canvas-roof

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Taut cream canvas panels making a sharply angled studio roof; hard sun-like shadows and a refined menswear crop. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

048 /black-veil-set

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Several opaque black fabric walls separated by narrow light gaps; no fabric on the face, visible clothing texture and full-body depth. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

049 /wind-tunnel

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A long corridor made from pale billowing linen walls; show motion in the walls and subtle garment hems while keeping the man's pose. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

050 /pleated-stage

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A curved wall of precisely pleated dusty-blue cloth behind a pale geometric seat; adapt only the set to support an existing seated pose. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

Cinematic rain editorials

051 /rain-frame

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An empty midnight alley with blue ambient light, amber lamps and heavy backlit rain; retain the source man, low-angle pose and outfit. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

052 /rain-platform

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An empty rain-soaked station platform with repeated illuminated columns; preserve outfit identity and add coherent wet fabric and puddles. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

053 /rain-roof

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A rooftop fashion set with a monumental translucent rain screen and dark city silhouettes; no extra figures or signs. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

054 /rain-window

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A night studio framed by a gigantic rain-streaked glass window; warm key light on the man and blue outside depth. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

055 /rain-underpass

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An empty concrete underpass with falling rain at its open end; amber practical lights and deep reflective floor perspective. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

056 /rain-stairs

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A broad empty urban stairwell under theatrical rain; put the man on a dry stable landing with wet background steps. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

057 /rain-red

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A scarlet illuminated studio doorway surrounded by real falling rain on a black stage; subtle restrained wet clothing and accurate skin. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

058 /rain-pavement

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An empty midnight street corner with long wet pavement reflections and warm lamp pools; no vehicles or passersby competing with the outfit. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

059 /rain-canopy

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A constructed translucent canopy on a dark fashion stage, rain falling outside its perimeter; clear face and crisp rain silhouettes. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

060 /rain-wall

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An enormous industrial glass-brick wall and a narrow rain curtain behind the man; retain a clean natural outfit and believable backlighting. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

Urban editorial stages

061 /empty-kiosk

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A closed sculptural newspaper kiosk on a deserted studio-built street corner; use abstract unlettered paper bundles and a refined menswear crop. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

062 /gallery-door

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A towering cobalt gallery doorway in a warm cream courtyard set; retain the man's street outfit with carefully composed architectural scale. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

063 /subway-set

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A deserted stylized subway set with repeated steel frames and a bold tiled wall; no passengers, readable garments and clean cinematic depth. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

064 /roof-lines

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A constructed rooftop stage with graphic parapet lines and an oversized oval shade sail; full-body fashion emphasis over travel scenery. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

065 /shutter-stage

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An empty ochre storefront set with a monumental partially raised shutter; use the dark opening to frame the unchanged outfit. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

066 /plaster-alley

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A narrow constructed alley of warm plaster walls and a huge overhead circular opening; sculptural fashion location with no street clutter. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

067 /pool-deck

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An empty geometric tiled pool deck with a red sculptural diving platform; keep the man fully clothed and dry in a menswear editorial. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

068 /parking-set

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An immaculate empty parking-deck fashion set with offset crimson columns and elongated floor markings; no cars, strong outfit silhouette. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

069 /empty-theatre

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An empty modern theatre foyer with a huge curved burgundy stair; carefully stage the man against the architectural volume. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

070 /courtyard-frame

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A cream architectural courtyard with one giant suspended black frame; sharp daytime outfit photography and dramatic negative space. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

Sand and plaster sets

071 /ochre-sail

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An ochre sand studio with a curved terracotta monolith and a wind-filled ivory sail; preserve a neutral outfit and hands-on-hem pose. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

072 /sand-arch

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A large freestanding plaster arch on a controlled sand stage; frame the unchanged man through the opening, with clear grounded feet. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

073 /chalk-curve

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A chalk-white curved wall crossing a pale sand floor; add a cobalt recessed doorway for a clear staged editorial transformation. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

074 /clay-block

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Three large stacked clay-colored set blocks behind the man; a clean flat front platform keeps shoes and stance intact. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

075 /dune-stage

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A constructed low dune stage inside a vast cream cyclorama with a tall matte black disc; fashion campaign rather than travel landscape. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

076 /plaster-ribbon

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A thick sculptural plaster ribbon curls across the rear of a sandy studio; dramatic shape scale with a clearly visible unchanged outfit. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

077 /ochre-stairs

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Broad ochre plaster stairs rising into a dark studio opening; retain the source pose on the lowest flat landing. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

078 /sand-fins

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An orderly set of tall curved white fins across a sand stage; strong separation and soft sculptural side light on the man. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

079 /terracotta-vault

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A vaulted terracotta studio interior with a cream circular recess; close fashion portrait with tactile garments and natural skin. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

080 /plaster-circle

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A monumental chalk circular wall on a rust-colored floor; one small rectangular opening and a long subject shadow create editorial scale. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

Motion-led editorials

081 /paper-storm

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Large clean folded paper sheets suspended mid-flight behind the man on a cobalt set; keep his face and outfit unobstructed and razor sharp. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

082 /cloth-orbit

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A single broad ivory cloth ribbon swings around the rear of a graphite stage; real fabric momentum, no cloth cutting through anatomy. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

083 /wind-steps

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A deep red studio with geometric steps and a strong controlled breeze moving garment hems; retain source outfit construction and pose. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

084 /flash-walk

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Transform a casual standing photo into an empty white architectural runway scene; keep identity and outfit, use a natural one-step editorial stance. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

085 /moving-curtains

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Several huge cream curtains frozen in sweeping arcs on a black set; static sharp man at center, physically credible hanging fabric. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

086 /water-curtain

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A thin wall of falling water behind a fully clothed man on a dry polished stage; hard freeze-frame droplets and no altered facial features. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

087 /shadow-panels

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Large hinged panels visually captured mid-turn behind the man; dynamic graphic shadows without distorting the source pose. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

088 /fan-stage

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A constructed studio with several oversized matte folding fans arranged in a dramatic opening gesture; controlled fashion framing. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

089 /dust-edge

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A terracotta set with a light sand plume along the rear floor; the plume stays below knees and behind the subject, with garment clarity. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

090 /rolling-backdrop

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A wide hanging paper backdrop unrolls in a huge S-curve behind the man; freeze the paper motion in a crisp editorial photograph. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

Monochrome constructed shoots

091 /black-white-disc

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A stark white stage with a giant black circle and hard directional shadow; render a rich monochrome menswear editorial while preserving clothing detail. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

092 /grey-arc

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An enormous charcoal curved wall with a narrow pale gap and concrete floor; sculptural monochrome fashion treatment, no crushed black garments. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

093 /white-stair-case

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Broad white stairs and a deep black doorway behind the unchanged man; silver-gelatin editorial texture and readable face detail. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

094 /black-paper

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A gigantic folded matte black paper set surrounding a bright white platform; precise edges and a sharp full-body monochrome outfit. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

095 /chalk-doorways

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A series of chalk-white doors receding into an ink-black room; contrast the recognizable man against the closest doorway. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

096 /silver-shadow

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A brushed-silver studio wall with a tall rectangular frame throwing an oversized shadow; restrained monochrome fashion portrait. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

097 /concrete-curve

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A constructed curved concrete wall and pale cantilevered bench supporting an existing seated pose; tactile black-and-white editorial depth. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

098 /white-fabric

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Huge white fabric sails on a black stage; grayscale values separate cloth, skin and the man's original outfit. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

099 /ink-platform

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A pale grey cyclorama with a glossy black circular podium beneath the man; low-angle monochrome fashion framing and visible shoes. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

100 /mono-window

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A freestanding industrial window and a wide plaster wall on an empty stage; strong graphic window shadow in a detailed monochrome photograph. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

Graphic editorial composition

101 /doorway-low

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Place the source man before a monumental peach doorway in a cobalt set; retain pose with low-camera architectural fashion perspective. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

102 /column-close

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A closely framed menswear portrait beside a huge fluted red column in a cream studio; preserve face, neckline and garment texture. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

103 /off-centre-arch

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An asymmetric editorial composition with the man on one side of a monumental ochre arch; significant environment change and intentional negative space. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

104 /top-down-grid

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A full outfit photographed slightly from above on a geometric blue-and-ivory floor set with three large sculptural blocks; keep natural proportions. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

105 /wide-frame

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: The man inside a giant black rectangular frame on a cream stage, composed with generous space; preserve all outfit details in a wider environmental crop. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

106 /foreground-glass

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A clear glass panel at the edge of an amber studio produces a subtle foreground reflection; the main man's face remains unobscured. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

107 /layered-doors

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Three offset crimson, ivory and graphite set doorways create a layered frame around the unchanged man; clean straight verticals. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

108 /diagonal-plaster

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A monumental diagonal plaster wall crosses a warm-grey stage behind the man; use a strong fashion composition without tilting his anatomy. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

109 /circle-crop

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A large illuminated circular wall opening frames the man in an ivory studio; closer editorial crop with the original face and clothes intact. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

110 /long-shadow-stage

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A raised cream runway crossing a burgundy room, with a huge circular ceiling opening; retain the outfit and produce a physically coherent long shadow. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

Gallery and theatre sets

111 /red-curtain-stage

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A deep theatre stage with monumental burgundy curtains and an ivory cubic seat; adapt the set to the existing seated or standing pose. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

112 /sculpture-gallery

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An empty white gallery with one oversized abstract matte black ring; the unchanged man is the only figure in a refined fashion editorial. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

113 /plinth-room

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A cream room with offset ochre sculptural plinths and a pale skylight recess; full-body styling emphasized against clean volumes. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

114 /stage-wing

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An empty theatrical side wing with tall black flats and a large warm-lit doorway; layered depth and crisp menswear detail. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

115 /painted-flat

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A large cobalt theatrical flat tilted against an ivory gallery wall; matching cobalt floor stripe and natural studio illumination. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

116 /curved-riser

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A terracotta semicircular stage riser backed by a tall cream curtain; man grounded at front with a restrained editorial pose. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

117 /gallery-screen

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: Several large translucent glass gallery screens with amber edges; preserve the source man, avoid duplicated figures and maintain outfit sharpness. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

118 /round-stage

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A black circular stage inside an oversized cream cylindrical room; a broad warm key makes the unchanged clothes readable. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

119 /frame-gallery

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: An empty burgundy gallery containing giant unlettered cream frames leaning on walls; one recognizable man, no people in artworks. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.

120 /finale-set

Edit the uploaded adult male outfit photograph into a professionally photographed men's fashion editorial. Preserve his identity, skin tone, facial structure, hair, original outfit, garment construction, important patterns, accessories and body proportions. Keep the original pose unless this recipe explicitly requests a natural adjustment. Replace the existing location completely with the following constructed set: A sculptural ivory stage with an enormous oxblood disc, angled chrome panel and clean amber rim light; balanced, believable final menswear campaign image. Make the before/after difference immediately visible through the new setting and staging, rather than color grading alone. Match light, perspective, contact shadows and reflections. Preserve natural skin and textile texture. No girls or women, additional people, female figures in artwork or reflections. Keep clothing opaque and the man fully clothed. Vertical 4:5 photograph, no added lettering, logos or watermark.
